

# LONDON TO BRIGHTON SPONSORED WALK

In aid of Kasisi Children's Home, Zambia

*The London-Brighton sponsored walk (from Big Ben to Brighton Pier) is a fund-raising event for the Kasisi Children's Home in Zambia. The walkers hope to raise around £15,000 to make a real difference to children living with HIV/AIDS. The orphanage deals with a large number of children affected with HIV/AIDS in the African country.*

The Home provides its children with basic needs such as care, love and protection. All the children go to school and the Home supports them in finding further education and employment as they reach adulthood. But the children need your help.

You can download the sponsorship form from <http://celtic-irish.co.uk/news>
